

CNC Laser Cutting

Machine Make

Trumpf, Germany

Machine Bed Size

2 meter x 4 meter

Machine Capacity

Power : 4000 Watts

Carbon steel: Upto 20.0 mm thick

Stainless steel: Upto 12.0 mm thick

Aluminum: Upto 6.0 mm thick

Number of Machines

5 Nos.

CNC Plasma Cutting

Machine Make

Messer, Germany

Machine Bed Size

3 meter x 8 meter

Machine Capacity

With Plasma Cutting:

Carbon steel: Upto 25.0 mm thick

Stainless steel: Upto 25.0 mm thick **With Gas Cutting**

Carbon steel: Upto 100.0 mm thick

Number of Machines

1 Nos.

CNC Bending

Machine Make

Trumpf -Germany,
Bystronic - Switzerland

Machine Bed Size

4 meter

Machine Capacity

110 Ton

200 Ton

300 Ton

Number of Machines

4 Nos.

CNC Rolling (4 Rolls System)

Machine Make

Davi, Italy

Machine Bed Size

2.5 meter

Machine Capacity

6 mm X 2500 mm

Number of Machines

1

Metal Fabrication

Machine Make

ESAB

Welding Processes

MIG, MAG, TIG, Stainless Steel Welding

Machine Capacity

Upto 600 Amp

Number of Machines

25 Nos.

Surface Treatment

With the support of our competent vendors we also offer following surface treatment services

- Powder coating
- Hot Dip Galvanizing
- Liquid Painting
- Blasting
- Plating
- Buff Finishing
